GREEN ROOM

HOW TO USE

Three simple steps. Zero chaos.

01

Create the event

Manage your fixture, venue,
kick off time for both teams.
Executed in under 2 minutes.

02

Build your squads

Team admins add their travelling
squad, confirm match squad
and substitutes, message
requests securely.

03

Submit and communicate

Send the confirmed lineups to
officials. Everyone knows what's
happening. Everyone is ready. Match
squads shareable for media. Done.

Wherever
the game is.
We're ready.

17:30, Tuesday 20 September 2026 – London Stadium, London, UK

🕒 15:30

Kick off

For the ones that make it happen.

Ditch the group email

All squad info, lineups, and communication lives in one secure place. No more searching threads for the final Excel.

Never miss a deadline

Real-time status on every fixture: travelling squad, match squad, officials. You always know where things stand.

Built for your workflow

From travelling squad to starting XI submission, the platform mirrors exactly how match prep actually works.

Invite-only and secure

Your event data stays private. Only the people you invite ever get access – no open registrations, all secure.

GET MATCH READY

Licensing starts with a single match membership and scales to suit your needs. Speak directly with our sales team to arrange a demo tailored to your organisation.
